WHOLESALE

TRADE LIST

**FERNDAL NURSERY**

**Askov, Minnesota**

# TO THE TRADE

To our many customers and friends in the Nursery trade we extend greetings. We appreciate the favors you have shown us in the past and shall endeavor to merit your confidence in the years to come.

## **TERMS—**

To customers who are known to us, or who can furnish satisfactory references, we will ship stock on 30 days credit, unless other terms have been agreed upon. Persons unknown to us or with whom we have had no credit dealings must give trade references and allow sufficient time for investigation. To insure prompt shipment of rush orders, persons unknown to us should send money order to cover cost of stock and packing.

## **PACKING—**

Prices quoted in this catalog **DO NOT INCLUDE PACKING AND BOXING.** This service will be charged for at actual cost of labor and material used.

## **C. O. D. SHIPMENTS—**

Orders for stock to be shipped C. O. D. must be accompanied with 25% of the amount of the order.

## **PARCEL POST SHIPMENTS—**

Cash with orders to be forwarded by parcel post **MUST** be accompanied with sufficient cash to cover parcel post charges, otherwise stock will be shipped by express.

## **SHIPPING INSTRUCTIONS—**

We prefer to have customers give explicit shipping instructions as to how stock is to be forwarded—freight, express or parcel post. Where method of forwarding is not specified or is left to us, we shall use our best judgment as to safest and cheapest method.

Prices are **WHOLESALE to THE TRADE** only and subject **TO CHANGE** without notice. Use printed letterhead or Inspection certificate with first order.

All orders are accepted with the understanding that same shall be void should any injury befall our stock through frost, hail, drouth, or any other cause beyond our control.

### **GUARANTEE—**

We guarantee all stock to be true to name and in good condition when it leaves our grounds. We exercise every possible care to have all plants and trees true to name and will, upon proper proof, replace free of charge or refund full purchase price of any tree or plant sent out by us that may prove untrue to label.

We do not guarantee stock to live and no allowance will be made for stock which fails to live after planting.

### **CLAIMS—**

All claims for shortage and unsatisfactory stock **MUST BE MADE WITHIN TEN DAYS** from date of delivery. Claims for shortage, damage or delay in transit should be made to transportation company when stock is called for at freight or express depot.

### **REFERENCES—**

R. G. Dunn Co.

Florists' Credit Association, Inc.

American Nurserymen's Association.

Minnesota Nurserymen's Association.

Sandstone State Bank, Sandstone, Minn.

Security State Bank, Askov, Minn.

### **GREENHOUSE SERVICE—**

We operate a greenhouse and do a general retail floral business. We solicit orders for flowers to be delivered to the following Minnesota towns: Askov, Bruno, Finlayson, Hinckley, Kerick, Sandstone, Sturgeon Lake and Moose Lake. Telegraph and telephone orders given prompt attention.

### **INSPECTION—**

The stock of the Ferndale Nursery has been duly inspected by an authorized State Inspector, and found free from injurious disease and insect pests. Certificate of such inspection will accompany all shipments.

# Evergreens

## SEEDLINGS AND TRANSPLANTS

Orders can not be accepted, at listed price, for less than 50 seedlings or 25 transplants of one size and variety.

25 transplants, 50 seedlings at 100 rate; 300 at 1,000 rate.

## SPECIMEN TREES, BALLED AND BURLAPPED

**CARLOADS:** For prices on full carloads loaded in bulk write for special prices.

**TRUCKLOADS:** We are in position to quote very reasonable prices on full truckloads of evergreens delivered anywhere within reasonable distances. Write for delivered prices on full truckloads.

Our specimen evergreen trees are well and favorably known to nurserymen and landscapers in the northwest and we guarantee them to be satisfactory in every way. We can nearly always supply trees of various sizes in a grade which is not quite up to specimen. The price of such trees will be 60% of the price of a specimen grade for same variety and size.

### Special Notice

Our spring season for handling B&B evergreens is usually of very short duration. During a very brief period we are called upon to move thousands of these trees, which require careful planning of work schedule. With the present shortage of labor this job becomes much more difficult, and it becomes absolutely necessary that all orders to be called for by truck must be in our hands several days before being called for. We can not undertake to dig B&B trees while customers are waiting and no wholesale orders will be dug on Sundays.

## Shredded Sedge Moss

Practically the same as peat moss imported from Holland except not quite so dry. Excellent for mulching and to mix with soil for acid loving plants such as fern, arbutus, bearberry, gentians and many others. Also excellent to mix with heavy soil to prevent baking and packing and to hold moisture.

100-lb. sack, \$1.50, or 50-lb. sack for \$1.00. Should be shipped by freight.

## Hardy Ferns

Hardy ferns still maintain their great popularity for general planting. They are unexcelled for foundation planting in shady locations. Planted among the shrubbery and in the woodland, they add beauty and interest to any planting.

Our list includes only such species as have been found dependable and well adapted to general planting conditions and easily grown under cultivation.

We invite mail order nurseries and Florists selling over the counter to get in touch with us for quotations on collections and bulk quantities. We can supply ferns in unlimited numbers.

Letters preceding common name indicate adaptability to growing conditions. R—adapted for rock garden; B—for bog or wet location; S—suitable for shady location; O—for open sunny places; Species especially suitable for foundation planting are so indicated.

Numerals following botanical name indicate heights which plant may be expected to attain, depending on soil and culture.

## Rock Garden Plants

### Wild and Perennial Plants

While our offerings of perennials are not as comprehensive as in former years, we still offer a nice assortment of hardy plants, both wild and cultivated species. Labor shortage, due to war activities, has greatly interfered with our planting program and for the duration our selection and quantities available will be limited.

Except as noted, all perennials are two year, transplanted stock. Prices are based on plants being handled with bare roots packed in damp material to keep plants in good condition during shipment. Large plants, dug with earth ball on roots will be billed at 25c each, packing extra.
